Hey Tina - I'm copying Elan who can give you a precise assessment of those numbers. Our market tracking is as good or better than anyone else's.

Nicholas Ziff Griffin

Hi Nick,

How do you feel about this stat from Rentcafe that was in Curbed? 7,551 apartments added in the last six years.

<https://la.curbed.com/2017/6/6/15750352/downtown-la-new-apartment-construction>

Just curious to get your thoughts before we start using the number for anything.

Thanks!

Tina
